Description

The industrial warehouses are of steel portal frame construction, with elevations of brick / blockwork to the lowers and profile metal sheet clad to the uppers. The roof is of profile metal sheeting, incorporating translucent roof lights. The units benefit from LED lighting and staff accommodation including WC facilities and offices. Access is provided via an electric roller shutter door into each unit and separate pedestrian access into the offices.

Location

Bromfield Commercial Park is situated adjacent to the A494 Mold Bypass and benefits from excellent access to the National Motorway Network via the M53/M56 motorways. Chester is located approximately 12 miles to the east and Wrexham is situated 12 miles to the south.
