## Description

**AVAILABLE Q2 2026 - FULLY REFURBISHED** The property comprises a 16 unit industrial estate arranged as two opposing terraces and totalling 9,003 sq m (96,908 sq ft). The units are of a steel portal frame construction with profiled metal clad elevations, with a pitched profiled metal clad roof incorporating translucent roof lights. The warehouse specification includes an eaves height of 5m for units 11 and 14 and all units have one level access loading door. The units have a combination of two storey offices fitted to a good specification some of which have had air conditioning installed by the occupiers. Each unit has a large designated loading area and car parking and in addition, there are three communal car parks in the centre of the estate. Unit 11 with extended yard area is 35m depth

## Location

The premises are situated on the Park Farm Industrial Estate, which lies approximately 1½ miles north-west of Wellingborough Town Centre and is considered to be the premier estate within the region. The location benefits from good road communications, with the A45 dual carriageway providing access to Northampton and the motorway network beyond, with Junctions 15 and 15a approximately 10 miles distant. The A14 (M1/A1 link road) Junction 9 is approximately 6 miles to the north via the A509. Wellingborough benefits from a main line rail link to London St Pancras International Station with an average journey time of 50 mins. The area has always attracted major distribution and warehouse operators due to its excellent labour supply and extensive road network. Current commercial occupiers on the Park Farm Industrial Estate include Full Support Healthcare, Cummins, Booker and Khron Instruments.
