

Osmannoro

Sesto Fiorentino - Florence
Osmannoro

Logistics park, 2 units Total
GLA: 50,934 sqm

Availability: Q2 2026

Two-unit logistics park

Located in the Osmannoro area, this upcoming logistics park will offer two adaptable, standalone units built to a high-quality standard.

Located in the northern province of Florence, close to the A1 Rome-Florence-Milan motorway (Sesto Fiorentino-Calenzano exit), this strategically positioned complex features a modern design focused on operational efficiency and workplace comfort. It is set to obtain a BREEAM Excellent certification, leveraging innovative energy-saving solutions.
